STUDYING WITH INEO: BLEND OF FACE-TO-FACE AND ONLINE CLASSROOM

Face to Face is an ideal solution if you want to study at a steady pace, interact with a local tutor and fellow students. The classes especially focus on exam technique and practice. Each of our expert tutors bring their passion, enthusiasm and industry experience to the classroom making sessions highly engaging and motivational. You will get **physical books**: Workbook and an extensive Practice and Revision Kit with practice questions by topic, analysis of past exams, mixed banks, several mock exams and access to online practice environment identical with the ACCA one. You tutor will give you individual feedback on a mock exam and provide help and support even outside of business hours. All of our ACCA courses are **Lifetime Pass Assured**, allowing you a free course if you try hard but still fail the exam. Most students who experience our live courses consider them the best way to learn.

Tutors

Complementing the classroom tuition is an online environment:

- ✿ All our tutors hold professional qualifications in finance, ACCA or ICAEW.
- ✿ Every tutor has been teaching for at least 12 years in Prague exclusively for Ineo (formerly BPP), many of them longer.
- ✿ All tutors have first-hand management experience in the areas of finance, audit or consulting. Our team includes a former training manager for Price Waterhouse, an approved ACCA question writer and a former CFO of a major international company in Czech.

Electronic Classroom

Complementing the classroom tuition is an online environment:

- ✿ **Video lectures**: Full video recordings of all exam preparation sessions, working with the same books that students have
- ✿ **Achievement Ladder**: A personalised suite of tests and steps to track your progression through exam preparation, identifying your strengths and weaknesses, giving you extensive opportunities to practice, and helping to structure your preparation time
- ✿ **ACCA Approved Content**: Comprehensive online learning resources with over 7 exam's worth of questions for each paper

STUDYING WITH INEO: ONLINE CLASSROOM

If you study completely online, your online environment will, in addition to an Electronic classroom, also include:

- ✿ Access to UK tutors for technical queries, personal feedback and support, and their proactive contact with you.
- ✿ Access to live Focus sessions that cover specific problems including technical areas
- ✿ A forum for sharing questions and answers with fellow students
- ✿ A calendar which also acts as a study planner
